Subject: R8 and R9 coordination with Utah for GKM

Hey Bill,

Would like you also to connect you with Nat Miullo – he's our LNO on the R8 side for the GKM incident. We've directed some Utah inquiries to him so it might be good to get the two of you to talk some to see what coordination makes sense. Nat's number is 303-518-9906. Thanks!

Hello,

Name is Bill Robberson, he's with EPA R9 – Personal Phone/Ex. 6 and he's cc'd on this note.

I'm trying to track down final versions of SitReps #2 and 3 (this was when websites were transitioning so trying to be sure I send correction ones). Thanks!

I do not.

Gina? Can you help.

I can't find the actual SitReps that she's looking for - #2 and 3, and the info on the www2.epa.gov press releases are different than the actual SitReps. Do you have those two that you could send to her?

They no longer show up on the OSC website under Documents!!

Thanks Lisa.

Somehow I never got the original email from Angelia, so thanks for handling.

Hi Angelia,

I received your request for info and asked about obtaining SitRep 2 and 3 for you.

I was told that all of the EPA information releases are available at the website:
<http://www2.epa.gov/goldkingmine/press-releases-and-updates-gold-king-mine-response>

SitRep 2 was released on Aug 7 and you can see the info release from that day on the website.

The most recent SitRep is #8, so you are up to date!

The main EPA information website is: <http://www2.epa.gov/goldkingmine> which contains a lot of information.

I searched the EPA directory and did not find a Bill or William Roberts – do you think he could be from a different agency?

Let me know if you need more info.

Thanks, Lisa

Good Morning,

Not sure if I need to contact someone else, but I am looking for a Bill Roberts contact info, he may be with R9 EPA. Also I am missing SitRep# 2, 3, and anything after #8 from EPA. Please let me know if I need to contact some regarding these needs.

Thank you!
